Upcoming meeting

Our Christmas Banquet December 10th will feature singer Brian Rodgers singing Christmas songs for us. It begins at 6 p.m. at the Centerville High School Cafetorium with dinner served at 6:30 p.m. Remember, if you've made reservations for the meal you are responsible for the cost if you don't show up!

Leo Club postpones Pet Food Drive

The Leo Club has decided to postpone the Pet Food Drive so as not to compete with the Centerville High School Spanish Club's canned food drive (for humans!). The H.E.L.P. the Animals drive will resume after the holidays, so please remember us then!

District Governor pays official visit

25F District Governor Sue Topt paid an official visit to the Centerville Lions Club Monday evening, November 26. Accompanied by her husband, Lion Jim, she spoke of changing times in Lionism, and how needs remain. The motto of her term as district governor is "Changing lives through service."

Topt pointed out that the Centerville Club sponsors one of the two Leo Clubs in the district.

The district governor said clubs need to change with new members and their new ideas.

One of her main objectives during her term is membership... another is the encouragement of clubs to promote themselves and their projects through the news and social media.

She highlighted vision screening as an important undertaking of clubs around the state, especially with "Operation Kid Site." She said over 10,000 children have been referred for additional help.

Topt urged Centerville members to continue with their vision and growth for the future.

New member approved

During a meeting of the board following the regular meeting, Toni Benedict was approved as a new member of the club. She's the wife of Lion Phil Benedict. We welcome her aboard.
