## Vision testing at Centerville Elementary

Centerville Lions sponsored a vision testing program at Centerville schools Friday, February first. 200 students from the 3rd and 8th grades had signed up to be tested. Results of the tests are to go to student's eye doctor.

Although the start of school was delayed by weather for two hours, Lions tested 8th graders beginning at 10 am returning at 12:45 pm to test 3rd graders.

Richmond Lion and PDG Jack Buckland headed the testing along with school nurse Julie Horn. Student nurses Renee Rector and Andrea Hitch assisted. Lion Phil Benedict said, "It was so nice to have us all together to do an event such as this. A big thanks goes out to a nice size group of Centerville Lions who participated." Members from the Centerville Lions club who participated were Dennis Stevens, Paul Elstro, Bob Hobson, Toni Benedict, Phil Benedict, Jim Howell and Tim McConaha.

## Lions certified prior to testing

Past District Governor Jack Buckland from the Richmond Lions Club certified several Centerville Lions on the Vision machines Monday evening, January 28.

Buckland demonstrated the different machines and presented information as to what to look for and how to determine who needs glasses.

## Member Notes
