Update on State Convention April 26-28

From District 25-F February Newsletter

The focus of Indiana Lions over the last several years has been vision screening. In the last 10 years, over 1,000,000 children have been served through Operation KidSight and Project School Sight. It could be argued that at least 100,000 people see better than they would have if they had not been referred for additional follow up. Hundreds, if not thousands, of Lion volunteers from all over the state have been invaluable in providing this service through the sacrifice of their time.

As part of the 2019 State Convention in Fort Wayne this year, the Lions of Indiana will honor these countless volunteers by hosting a party on Friday evening, April 26. We will celebrate all past and present screeners. If you are or have been a volunteer, make sure to make your reservation for the Convention and participate in the celebration Friday night. All Lions and guests are invited to the party.
