### Upcoming meeting

Our Lions year is ending with our Family Picnic on Monday, June 27. It begins at 6 p.m. in Maplewood Park in Centerville. This will be a BBQ... please bring a dish and a chair. And enjoy the new Maplewood Park.

### **Fish Fry gets a late start**

The 37th annual Fish Fry is history. It was held June 17th and 18th this year. It's usually held on the first Friday and Saturday of June. But, the Christian Church Fellowship Hall was unavailable to the club this year.

The start of the fish fry was delayed in getting underway this year due to a couple of problems. Centerville Utilities was late in installing the electrical drop boxes for the fryers. And the McFarlings truck broke down causing its arrival with refrigerated supplies to be late. Several patrons patiently waited for their fish dinners.

Sales results were unavailable. It's the main fund raising activity for the Centerville Lions Club.

### **New officers take over July 1**

It's the second time around for Lion Tim McConaha. He first served as club president in 2006-2007. He has also served in several capacities since that time. Lion Tim says he would like to see the club grow in numbers along with attendance improving.

McConaha will be assisted this coming year by first and second vice presidents, Joe Elstro and Ty Farmer. Lion Joe also served as president in 2012-2013.

McConaha will announce soon the date for the Board of Directors organizational meeting to be held in August. The annual steak fry will be held on September 12 with the first regular meeting slated for September 26.
