Lions learn about Sunrise, Inc.

Stephanie McCurdy, executive director of Sunrise, Inc. spoke to members of the Centerville Lions Club Monday evening, February 26, at the Senior Center in Centerville. Sunrise is Therapeutic Riding Center located on Minneman Road, southeast of Richmond.

McCurdy said they have nine horses ranging from a large Percheron to a pony. The center, which includes both indoor and outdoor arenas, is comprised of 104 acres of farm ground, woods and a creek, including 80 acres of hayfield. They serve people of all ages with conditions that can benefit from therapeutic riding including physical, mental and emotional needs.

The center is funded through fees and donations. They have a budget of \$140,000 of which \$100,000 is raised each year mostly through donations. She said they also accept donations of horses which are put through a 6 to 8 week trial period to see if they will work out.
