PDG Buckland speaks about international convention

Past District Governor Jack Buckland from the Richmond Lion's Club spoke at the February 28 meeting about his trip to the International Convention in Sidney, Australia. He passed around several photo albums with pictures that his wife took of the trip. About 25,000 people attended the convention.

He was there to support Lion Wayne Madden who was elected International 2nd Vice President. There were many seminars to attend and Lion Jack was lucky to hear Lion Sullie Sullenberger speak. The Music competition which featured the violin was won by a young man from Edinburg, Indiana.

Notes from the Lions

Lion President Anne Elstro read a letter from Lion Jack Salsbery on the Vision Screening Program. Lion Jack Buckland said he has vision screening equipment and with a few days notice can get a team together and is willing to help schools do their vision screening for pre-school, 3rd and 8th grades.

Lion Tim Hill will be the Chairperson for the Fish Fry and will get the tickets printed.

Lion Jeff Nickels said he is willing to bring his antique tractor to the fish fry for people to see. Further discussion on doing this will take place at a later date.
