## **Lions learn about Alzheimer's**

Curt Keltner from the Alzheimer's Association was the guest speaker Monday evening, March 12. He said that the disease is not necessarily hereditary, but seems to affect the 65 and over group. There are many warning signs that should cause you to seek medical attention and detection.

The club voted to send money to the tornado victims in southern Indiana.

The Fish fry was discussed. Lion Bob Hobson said the costs to us should be about the same as last year. Some discussion as to lowering presale tickets to \$7.00 with at the door price of \$7.50. This price still includes dessert.

Lion Dennis Stephen is looking into the club planting trees in Maplewood park in memory of past members who have passed recently.

## **Looking back in Lions History**

(Continued from December issue)

by Lion Jim Resh

During the 1990's the local Club sponsored annually foreign exchange students to Finland, gave two college scholarships to high school seniors, held the annual Community Fish Fry, sponsored the 5-K run and parade for Archway Days, purchased 4-H animals at the Fair and donated trophies for the winners, held a spaghetti dinner for the community, gave the annual Community Awards Banquet, continued the annual Halloween parties and made hospital equipment available for all people.

## **Future meetings:**

**April 9 – Community Awards Banquet**

**April 23 – Election of Officers**
