Upcoming meeting

Our next meeting is June 4 at 6:30 pm at the Centerville Senior Center. This will be our Fish Fry Finalization meeting. Remember, if you make a reservation for dinner, you are responsible for it.

Lion Tidrow named to District Post

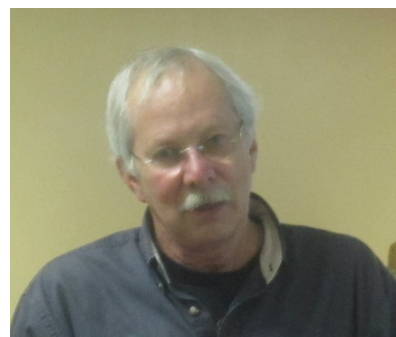

Lion Pam Tidrow has been named District Leo Club Leader. She said has been asked to head Leo Clubs in the District 25F. There are four of the clubs, one of which is at Centerville Senior High School, where Lion Pam is the Advisor.

Pam will also be interviewed for an article about Leo Club for the International Lions Club magazine. She said she believes it's because she was a member of the Centerville High School Leos Club, then became a Lion at the Centerville Club and then the Advisor for the club. She said the interview has yet to be scheduled.

Model T Museum to open in mid-June

Jay Klehfoth of the Model T Ford Club of America told members of the Centerville Lions Club the Model T Museum will open in Richmond sometime in June. Klehfoth and Benny Young of the Museum spoke to the club Monday evening, May 14.

Klehforth said renovation of a pole barn at 309 North 8th Street in Richmond is nearing completion. He said a soft opening will occur in mid-June. He said there will be about 13 vehicles on display, although they have nineteen at the present time. That will allow for a change in the display at different times of the year. Klehforth said the oldest car will be a 1906 Model N Ford, a precursor to the Model T which came out in 1908.

Besides the display of Model T cars, trucks and other types, there will be a library for research purposes and a gift shop. The Model T Ford Museum was previously located at Warm Glow Candles in Centerville. The Model T Ford Motor Club of America has its headquarters in Centerville. Klehfoth is a member of the Centerville Lions Club.

Future events

June 8-9 – Fish Fry

June 11 – Installation of Officers

June 25 – Family Picnic
