### **Lions hear from SWCS**

Zachary Lee from Wayne County Soil & Water Conservation Service spoke to member of the Centerville Lions Club Monday evening, November 9.

Lee talked about local watersheds and ways to minimize our impact on them. He also told members that the Soil & Water Conservation is participating in the matching funds program from the Wayne County Foundation.

He hopes to use those funds to provide discounted rain barrels to the local community. If all goes well, the rain barrels will be provided for sale in the spring.
