Honey is a sweet thing

Ken Banning of Banning's Honey Farm spoke to members of the Centerville Lions Club Monday evening, November 12.

Banning says they are a small, family-run farm, and their honey sales are more of a hobby than a business. As such, their products are sometimes limited in quantity. All of their products are handmade, so they may have imperfections. That's how you know it's not mass-produced, but carefully mixed, dipped, or poured by Ken, Jill, and their daughter Jennifer.

Their products include 100% pure local honey, beeswax candles, handmade soap, beeswax lip balm and gift baskets.

Mid-Winter Conference Silent Auction

By District Governor Sue Topf

Once again, there will be a silent auction at the Indiana Lions Mid-Winter Leadership Conference on January 5, 2013 at Plainfield Middle School in Plainfield. Each Indiana Lions District is asked to donate at least 3 items worth \$20 or more for the auction.

Last year every district made an outstanding effort to make the auction a great success and over \$1500 was raised for the Leo program.
