Lions hear about membership and projects

District 25F Membership Chair Tom Slattery and District 25F Retention Chair Jean Acre paid an official visit to the Centerville Lions Club Monday evening, September 27.

Slattery talked briefly about the Lions Eye, Eye Bank, Cancer, Speech and Hearing programs and the Indiana School for the Blind.

Acre talked about membership retention, highlighting the five I's: Identify, Invite, Inform, Induct and Involve.

Acre, from the Greensburg Lions Club, told members to identify persons in the community you would like as members. Inform them of what you do in the club. Then invite them to become a member. Induct them into membership. And then involve them.
