## **Steak Fry kicks off new Lions year**

## **Board holds organizational meeting**

Lions will have two meetings during January and February this winter. The board of directors, at the club's annual organizational meeting Tuesday evening, August 30, voted to drop the first meeting of the month for January and February. Inclement weather was cited as reason for the action. In February, Lion Jim Howell suggested suspending all meetings during January and February. But the board felt that was too long a period of time not to meet. The action means there will be meetings on January 23 and February 27. The entire schedule of meetings is listed on our web site.

In other action, the board approved the Halloween Party for Saturday, October 29; Community Awards Banquet for April 9; and the Fish Fry for June 8 and 9, 2012.

Lion Tim McConaha will be in charge of the Christmas Banquet on December 12. And Lion Paul Elstro will again head up the season opener Steak Fry on September 12.

The meeting was held at the home of Lion President Tim Hill.
