Upcoming meeting

Our first regular meeting of the new Lions year will be September 27, 2010 at 6:30 pm in the Senior Center at 111 South 2nd Street in Centerville, Indiana.

2010 Lions year launched with annual steak fry

In a tradition began several years ago, the Centerville Lions Club began its year with a steak fry September 13 at the Log Cabin behind the Mansion House in Centerville.

Lion president Anne Elstro presented immediate past president Kevin Sparks with a wooden Lion with an encased clock in appreciation for his work as president this past year.

After dinner, several Lions and friends stayed behind at the Log Cabin to play a few rounds of cards.

Another Leader Dog joins a companion

This past summer Leader Dog Mason and Connie G..... graduated from Leader Dogs for the Blind in Rochester, Michigan. Mason was raised by Jill and Robert Moore from the Centerville Lions Club. Leader Dog provides the advanced obedience training and guide dog training. When the dog is ready it is matched to a person and they train together and graduate as a team.

Typically puppy raisers raise the puppies from about 6 weeks old through 12-14 months, at which time the dog is returned to Leader Dogs for advanced training. Lately the Moore's have
