Lions Hear About New Pickle Ball Courts

Program chair Bob Hobson with Mark Miller

Mark Miller of the Wayne County Pickle Ball program told Lions Club members of a new Pickle Ball facility being planned. He told members Monday evening, November 26, the new eight-court facility will be constructed in Clear Creek Park in Richmond. He said they plan to install lights so anyone can play after dark.

Pickle Ball started in the 1950s and is the fastest growing racket sport. All ages can play and Miller said it's a very inexpensive sport to get into. Wood rackets start at $15. Groups play same sex, mixed and by different skill levels. He said there's a lot of body movement, thus you are exercising while having fun.

The group is currently fund raising for a matching grant. The Club voted to donate $100 to the endeavor.

Club president Ty Farmer said he was pleased to announce the club will enter a float in the Centerville Christmas parade. The Club will have its Christmas Banquet on December 10th at the Centerville High School Cafetorium.

After discussing the recent Fish Fry, the club voted to hold the 2019 event for only one day in the first part of June.
