## **First reports indicate a successful Fish Fry**

With the 32<sup>nd</sup> Annual Fish Fry under our belts, officers are looking at the financial receipts to indicate how successful it was. Treasurer Kevin Sparks, in initial reports, says income should be above \$5,000 for the two-day event.

It was held at the Christian Church Family Center because the Centerville City Building garage area was not available this year. Although the facility afforded customers air conditioning from the hot summer-like heat, some said there was not enough visibility to the public. And some suggested the Fish Fry should return to the second weekend of the month in the future.

This year an \$8.50 ticket included the entire meal, drink and dessert. Proceeds from the Fish Fry are used for club projects throughout the year.

## **Notes from our club**

A thunderstorm that caused damage throughout Wayne County shortened the Centerville Lions Club meeting on Monday evening, May 9. One member left the meeting after learning of damage at his home.

Safety Director Bob Hobson announced the winners of Lions Club scholarships at the high school. They are Megan Price and Sarah Smoker. Ashely Sinker was named the perfect attendance award winner as she had eight years of perfect attendance.

## **Mother of Lion Felker dies at 98**
