### **Our Lion To Be Ready For Christmas In Centerville**

The Centerville Lions Club "Lion" is being refurbished by the Art Department at Centerville High School. Over the years the Lion was used in parades and at various events including the Lions Fish Fry and had become rather worn over time. It most recently was used at the high school homecoming parade.

Lions Club historian Jim Resh says it was also used at the 4-H building on the Fairgrounds in Centerville before the fairgrounds facility was destroyed by the 1977 tornado. The Lion was purchased from Lions International nearly 50 years ago.

The club had it repaired by the Art Department several times in the past. It's now being "spruced up" by the art students. Art teacher Chris Evrard and sponsor of the Art Club says they plan to have it finished by December 7<sup>th</sup> in time for Christmas in Centerville.
