Upcoming meeting

Our next meeting will be October 14, at the Senior Center with dinner beginning at 6:30 p.m. Our program will be announced later.

Heroin is no hero

Two members of the Wayne County Drug Task Force addressed members of the Centerville Lions Club Monday evening, September 23 at the Centerville Senior Center.

They brought along samples of the drugs confiscated during drug investigations in Wayne County. They said heroin has become the biggest problem, not only in Wayne County, but across the country. They said they don't focus as much on marijuana these days, as drug laws across the country are changing.

Halloween Party to have carnival-like atmosphere

Halloween Party chair Pam Tidrow says the event this year is undergoing a bit of a transformation with new games and will have a more carnival-like atmosphere.

Lion Pam says she is in need of assistance from those who have some woodworking talent.

She said the Leo Club has volunteered to paint some of the new games, but she needs some items cut out... such as witches hats for the new ring toss, a pumpkin for the bean bag toss and a large ghost for Ghostly Golf.

Zone Chair speaks at meeting

25F Region 5 Chair Mark W. Harris was a guest along with his wife, Zone A chair Judy Harris.

He urged members to attend the Cabinet meeting on October 13 and the Mid-winter meeting on January 3 and 4. Leo Club Advisor and Lion Pam Tidrow will again be making a presentation at the conference in Plainfield.

Future meetings and events

October 28
Halloween Party October 31
November 11 – November 25
December 9, Christmas Banquet
