First responders honored... football coach speaks

First responders were honored by the Centerville Lions Club Monday evening, October 10, at the Centerville Senior Center. Over fifty attending enjoyed pizza, salad and cookies. Members of the Centerville Fire and Police Departments were special guests of the club.

Centerville High School football coach Kyle Padgett addressed the group. Padgett, who grew up in Indianapolis, said he is fond of the Centerville area. He said he was surprised he was hired after applying for the position.

Padgett said he has high standards for members of the team, both on and off the field. They report their grades each week, with anything below a C unacceptable. He added those high standards off the field transfer to wins on the field.

Padgett said he appreciates the home crowd cheering loudly, but it does make it difficult in sending in play calls.
