Upcoming Meeting

Our first meeting of the new year will be our Steak Fry September 14 at the Log Cabin at the Mansion House in Centerville. Serving begins 6:30 pm. Kyle Davern of the Alzheimers Association will be our speaker.

Business Meeting Held August 17

Centerville Lions Club president Holly Stiggleman conducted the group's business-organizational meeting on August 17.

Members decided to cancel its annual fish fry. It had been postponed from June to September due to Covid-19. It will be held June 12 next year. Members agreed it's in the best interest of the public and members of the club rather than take any chance of spreading the virus.

They discussed other ways of possibly making up some of the loss from the cancellation. The Liberty Lions Club has invited them to assist in its Flat Drags at the fairgrounds in Brookville in October and split the proceeds. Other measures with the Liberty club were also discussed.

Meanwhile, the club approved the sponsorship of a hole for the Dollars for Scholars golf outing on October 3.

Due to a annual \$2 increase in International Lions Club dues for the foreseeable future, the club approved annual dues of \$90 from the current \$80. The state organization so far hasn't raised dues.

President Stiggleman reported the Leo Club at Centerville High School continues to pursue new members and is planning a Rock-A-Thon to benefit the Lions Club Third Grade Dictionary Project.

President Stiggleman presented three International Lions Clubs awards for obtaining new members during the Lions Centennial year. Lion Joe Elstro received the Diamond Award while Lions Wendy Cook and Crystal Jenkins received Gold awards.

And the club finalized its meeting schedule through June of next year including the annual Community Awards Banquet set for April 12. It had to be canceled this year.
