Upcoming Meeting

Our next meeting is coming up on Monday, September 27, 2021. Serving begins at 6:30 pm at the Centerville Senior Center, with a program to follow.

Steak Fry Launches New Lions Year

The 2021-2022 Lions year was launched Monday evening, September 13, with the annual Steak Fry. Some 20 members and guests attended the steak fry held at the Mansion House and Log Cabin in Centerville.

President Scott Bevington said there was a strong showing of members from the Liberty Lions Club. Lion Scott reported that Centerville Lions had sent \$250 to the Liberty club supporting its effort in aiding those affected by hurricane Ida.

He also reported that Centerville Lions made a good showing for the Archway Days parade, passing out 200 bottles of water labeled with information encouraging others to join us while celebrating our most veteran members, Jim Resh (61 years of service) and Jim Howell (58 years).

Centerville Lions Look Ahead

During the coronavirus pandemic the club has decided to forgo the Community Awards until the spring of 2022. The date for the event will be decided in February.

The club also decided to postpone the planned October 2 breakfast and will shoot for January 8.

And the annual Halloween event will again be a drive-by on October 30.
